Friday 21st August 2020

Dear Parents/ Guardians,

I do hope this letter finds you and your family safe and well.

Following the announcement of the Government that we are returning to lockdown as well as the closure of schools Renaissance will be returning to full online school this September. Please note that generally the arrangements for the online classes remains the same as last term. Where there are changes the assigned class teachers will communicate with you as it relates to your child class.

At this time I will like to confirm that we will be opening on the 7th September 2020 (ALL CLASSES). As we continue to assess the developments and projections for the coming term, and given the number of parents affected with loss of income and at the same time maintaining the capacity of the school both as it relates to staffing as well as resources needed to continue to operate we made adjustments to the fee structure.

Please note the following:

For parents needing assistance, basic local school fees reduced to \$4000

All foreign School Fees reduced to \$6000 for those needing assistance.

For parents needing a payment schedule, you can pay 50% on or before the 31st August and the balance in monthly payments to end of October. Also, if you already paid the original fee you have the option to leave as is or forward the extra towards the January fees.

Please note that this adjustment will depend on timely payments and will only work if you honour your commitment.
