Tuesday 26th April 2022

Good evening, Parents,

This is a reminder that if a family member, or anyone coming into close contact to you or your children contracting the COVID-19 Virus, it is expected that you will:

1. Inform the school.
2. Keep your child at home for the required close contact quarantine period.
3. Return to school only after testing negative for the COVID-19 Virus.

If you suspect the possibility of your child contracting the Virus, for the welfare of all the students and the school as a whole please follow the above steps.

If in the event a parent or family member contracts the COVID virus and deliberately ignores the protocol above, sending their child to school, please keep in mind that:

1. The entire school will have to be closed and sanitized.
2. Other students and staff members may be at risk.
3. A member of staff contracting the virus may mean that a class may be without a teacher for an extended period.
4. You risk having your child withdrawn from Renaissance.

A tremendous amount of work went into providing a safe, healthy and uplifting environment for the children, staff and parents. Please continue to support the high standard expected of the students, staff and parents at Renaissance.

Yours respectfully.

Ravichandra Debie M.Ed., B.Ed.
Headmaster
Trinidad Renaissance School
