Monday 4th July 2022

Dear Parents / Guardians,

I do hope that this letter finds you and your loved ones well.

As we approach the end of our last term of this academic year, there are a few important points I would like to highlight at this time.

The New Term

In preparing for the September term please note that Renaissance will be opening for the full attendance of the children. Some of you had indicated a desire for your child to continue with a blended approach or in a few cases remaining fully online. Please note that this option is still available, just let your child's class teacher know of your choice. It is worth noting that all the online resources will continue for all students and be used within the classroom as well as available at home.

Curriculum

We expect also to resume the lunch service this coming term. If you know of anyone wishing to work in this area and might be interested in joining the staff at Renaissance, please refer them to the school as we can include them in our interviews. Additionally, Cricket and Archery will be back with Swimming for the lower classes. Pan sessions will resume for all students.

Resource Listing

The website has been updated with the resource listing, please confirm with your child's teacher that you can go ahead and purchase the necessary books and resources for the next class. You will also notice that an introductory level laptop was recommended for the older classes, this is an option I will recommend as we will be using the technology and online resources within the classroom.

School Hours / Daily Schedule / Uniforms

As you will imagine given the variety of the curriculum and activities at Renaissance, we will need to increase the time on the compound. The combination of activities may vary for the various classes or the choices for your child, however, the general arrangement will be similar to the current schedule with the additional activities being added on after the 1:30 end. The Afternoon session 4 –5 pm will also be available.

Please expect a communication closer to the start of the new term with your child's class location, drop off time and location including the dismissal schedule.

All students are expected to be in uniform in the new term.

Reports / Parents One on One

All reports will be published by this Thursday on our platform please review in preparation for your one on one with the Class Teacher on Friday 8th July. You are to book your time for your meeting via the online app. At this meeting, your child's current teacher will confirm the new teacher if there is a change for the coming year. The last official day for the term is Thursday 7th July 2022.

COVID Protocol

Very soon, mask will no longer be mandatory in the classrooms however it will still be an option for anyone wishing to maintain the precaution. At Renaissance, prior to Covid, we would have had daily cleaning of our classrooms and sanitization of the various surfaces etc. this will continue. Do note that the plan is to leave the screens in place at least for the time being. We will gradually remove them as the term progresses. Temperature checks are not necessary however the sanitization stations and bottles will be maintained and available for the children.

Summer Camp

This year our Summer Camp will run for two weeks. This change was necessary to facilitate our preparations for the coming term in September. Please note by now you will have received a communication from your child's class teacher on registration. Please note that you can choose either fully online or fully in person sessions, additionally the places are limited, and registration closes this coming Wednesday. You can register via the Parent's Portal on our Website.

For the past two years, there were many challenges and I do believe that the members of staff at Renaissance rose to the occasion. We certainly will not be going back to a pre COVID school. With a dedicated staff and a supportive parent body we will continue to develop and grow. On behalf of all members of staff I thank you for the trust and support you have placed in the Renaissance vision.

All best wishes,

Ravichandra Debie M.Ed., B.Ed.
